RF, Tver Region, Tver

Dear colleagues,

Ruslesexport LLC is a supplier of coniferous and deciduous sawn timber, fuel pellets.

The company has been awarded international accreditation, we operate within the framework and observe the rules and regulations of the Forestry Code of the Russian Federation, our products comply with GOST 8486-86, GOST 26002-83 standards.

Due to a decision to expand our sales geography, we are open to cooperation and are actively searching for new partners in the global market.

On its end, Ruslesexport LLC guarantees:

1. Observance of the international forest management rules.
The FSC standard is attached.
2. Legal origin of the wood.
3. Compliance of our products with GOST standards.
4. Maintaining the complete and timely document management.
5. Legal transparency.
6. Openness and hospitality.
7. Custom-tailored approach.

No.	Name		FEACN code	Species	Grade/ash content	Dimensions, mm
1		Circular-sawn, kiln-dried board, coniferous species	4407	fir, pine	1-4	100/25/6000, 4000 150/25/6000, 4000 100/40/6000, 4000 150/40/6000, 4000 100/50/6000, 4000 200/50/6000, 4000
2		Circular-sawn, kiln-dried board, deciduous species	4407	aspen, birch	1-4	100/25/6000, 4000 150/25/6000, 4000 100/40/6000, 4000 150/40/6000, 4000 100/50/6000, 4000 200/50/6000, 4000
3		Square-edged, planed, kiln-dried timber	4407	fir, pine	1-4	100/150/6000 4000 150/150/6000 4000 150/200/6000 4000 100/200/6000,4000 200/200/6000, 4000 50/150/6000, 4000
		Square-edged, planed, kiln-dried timber	4407	birch, aspen	1-4	100/150/6000 4000 150/150/6000 4000 150/200/6000 4000 100/200/6000,4000 200/200/6000, 4000 50/150/6000, 4000
4		Planed board	4407	Fir	1-4	100/25/6000, 4000 150/25/6000, 4000 100/40/6000, 4000 150/40/6000, 4000 100/50/6000, 4000 200/50/6000, 4000
5		Dry pallet boards	4407	Fir, pine	1-4	20-22/100/800 20-22/100/1000 20-22/100/1200
6		Dry pallet boards	4407	Birch, aspen	1-4	20-22/100/800 20-22/100/1000 20-22/100/1200
7		Fuel pellets – light	4401		up to 0.5	
		Fuel pellets – grey	4401		from 0.5	

Moreover, our company is focused on individual approach, so if you see no sawn timber dimensions you need, just bring this to our notice.

Ruslesexport LLC is seeking long-term and fruitful partnership. We are prepared to dispatch sample batches of the sawn timber and/or fuel pellets for you to be able to evaluate the quality and performance of our team.

We are ready to answer all of your questions and examine all possible partnership options, contact by email n7025107@yandex.ru or by telephone (WhatsApp) +7-915-702-51-07, foreign economic activity expert Natalia Vorobyova.

Sincerely yours,
General Director,
D.K. Vorobyov
